The **City of Largo**, FL adds a new state-of-the-art library as a cultural and educational centerpiece in Largo Central Park. The new facility features expanded space for collections, computer labs, multimedia resources, special services for children and teens, and a comprehensive stormwater treatment system at every inlet.

Largo's New Public Library Provides Silent Stormwater Treatment At Every Inlet

The Grate Inlet Skimmer Box

Grate Inlet Skimmer Boxes are available in all sizes. At the Largo Library, Florida type "E" inlets were used throughout the parking lot. For large inlets with thick grates, a secondary landing made of aluminum angle is attached to the catchbasin wall to support the inlet filter.

Multi-Stage Filtration And Stainless Steel Screens of Different Sieve Sizes Optimize Filtration And Water Flow

It's not made on a sewing machine and you can't roll it up and stick it in your pocket.

The strength found in marine grade fiberglass and stainless steel combine to make up a hydrodynamic stormwater filter that can capture many hundreds of pounds of sediment, foliage, liter...**It is permanent infrastructure!**
